This website exists as an ongoing collaborative experiment in digital publishing and information sharing. Because this website functions as a wiki, all members of the School of Art community—graduate students, faculty, staff, and alums—have the ability to add new content and pages, and to edit most of the site's existing content.

Content is the property of its various authors. When you contribute to this site, you agree to abide by Yale University academic and network use policy, and to act as a responsible member of

The School of Art is one of **Yale's Graduate & Professional Schools** conferring MFA degrees in Graphic Design, Painting/Printmaking, Photography, and Sculpture; and offers undergraduate-level art courses to Yale College students. Our website exists as an **ongoing collaborative experiment** in digital publishing and information sharing. It functions as a wiki—all members of the School of Art community have the ability to add new, and edit most existing content.

Opdracht: Usability & UX

Ga zelf twee verschillende websites evalueren

- Verschillende domeinen!
 - Bijvoorbeeld sgdb.nl en ah.nl, of tweakers.net en welkoop.nl

Schrijf voor jezelf op:

- Wat doet de website goed?
- Wat doet de website niet goed?
- Twee perspectieven:
 - Zelf als **ontwerper**
 - Als **gebruiker**, beeld jezelf in als klant van deze website
- Ga na welke vragen je jezelf stelt tijdens deze opdracht en schrijf deze ook op!

Morgen: Hoe meet je UX?

Verschillende methodes!
